

Observed Claim Frequency by Driver Age Band

Red dashed line = portfolio average; bubble size = exposure

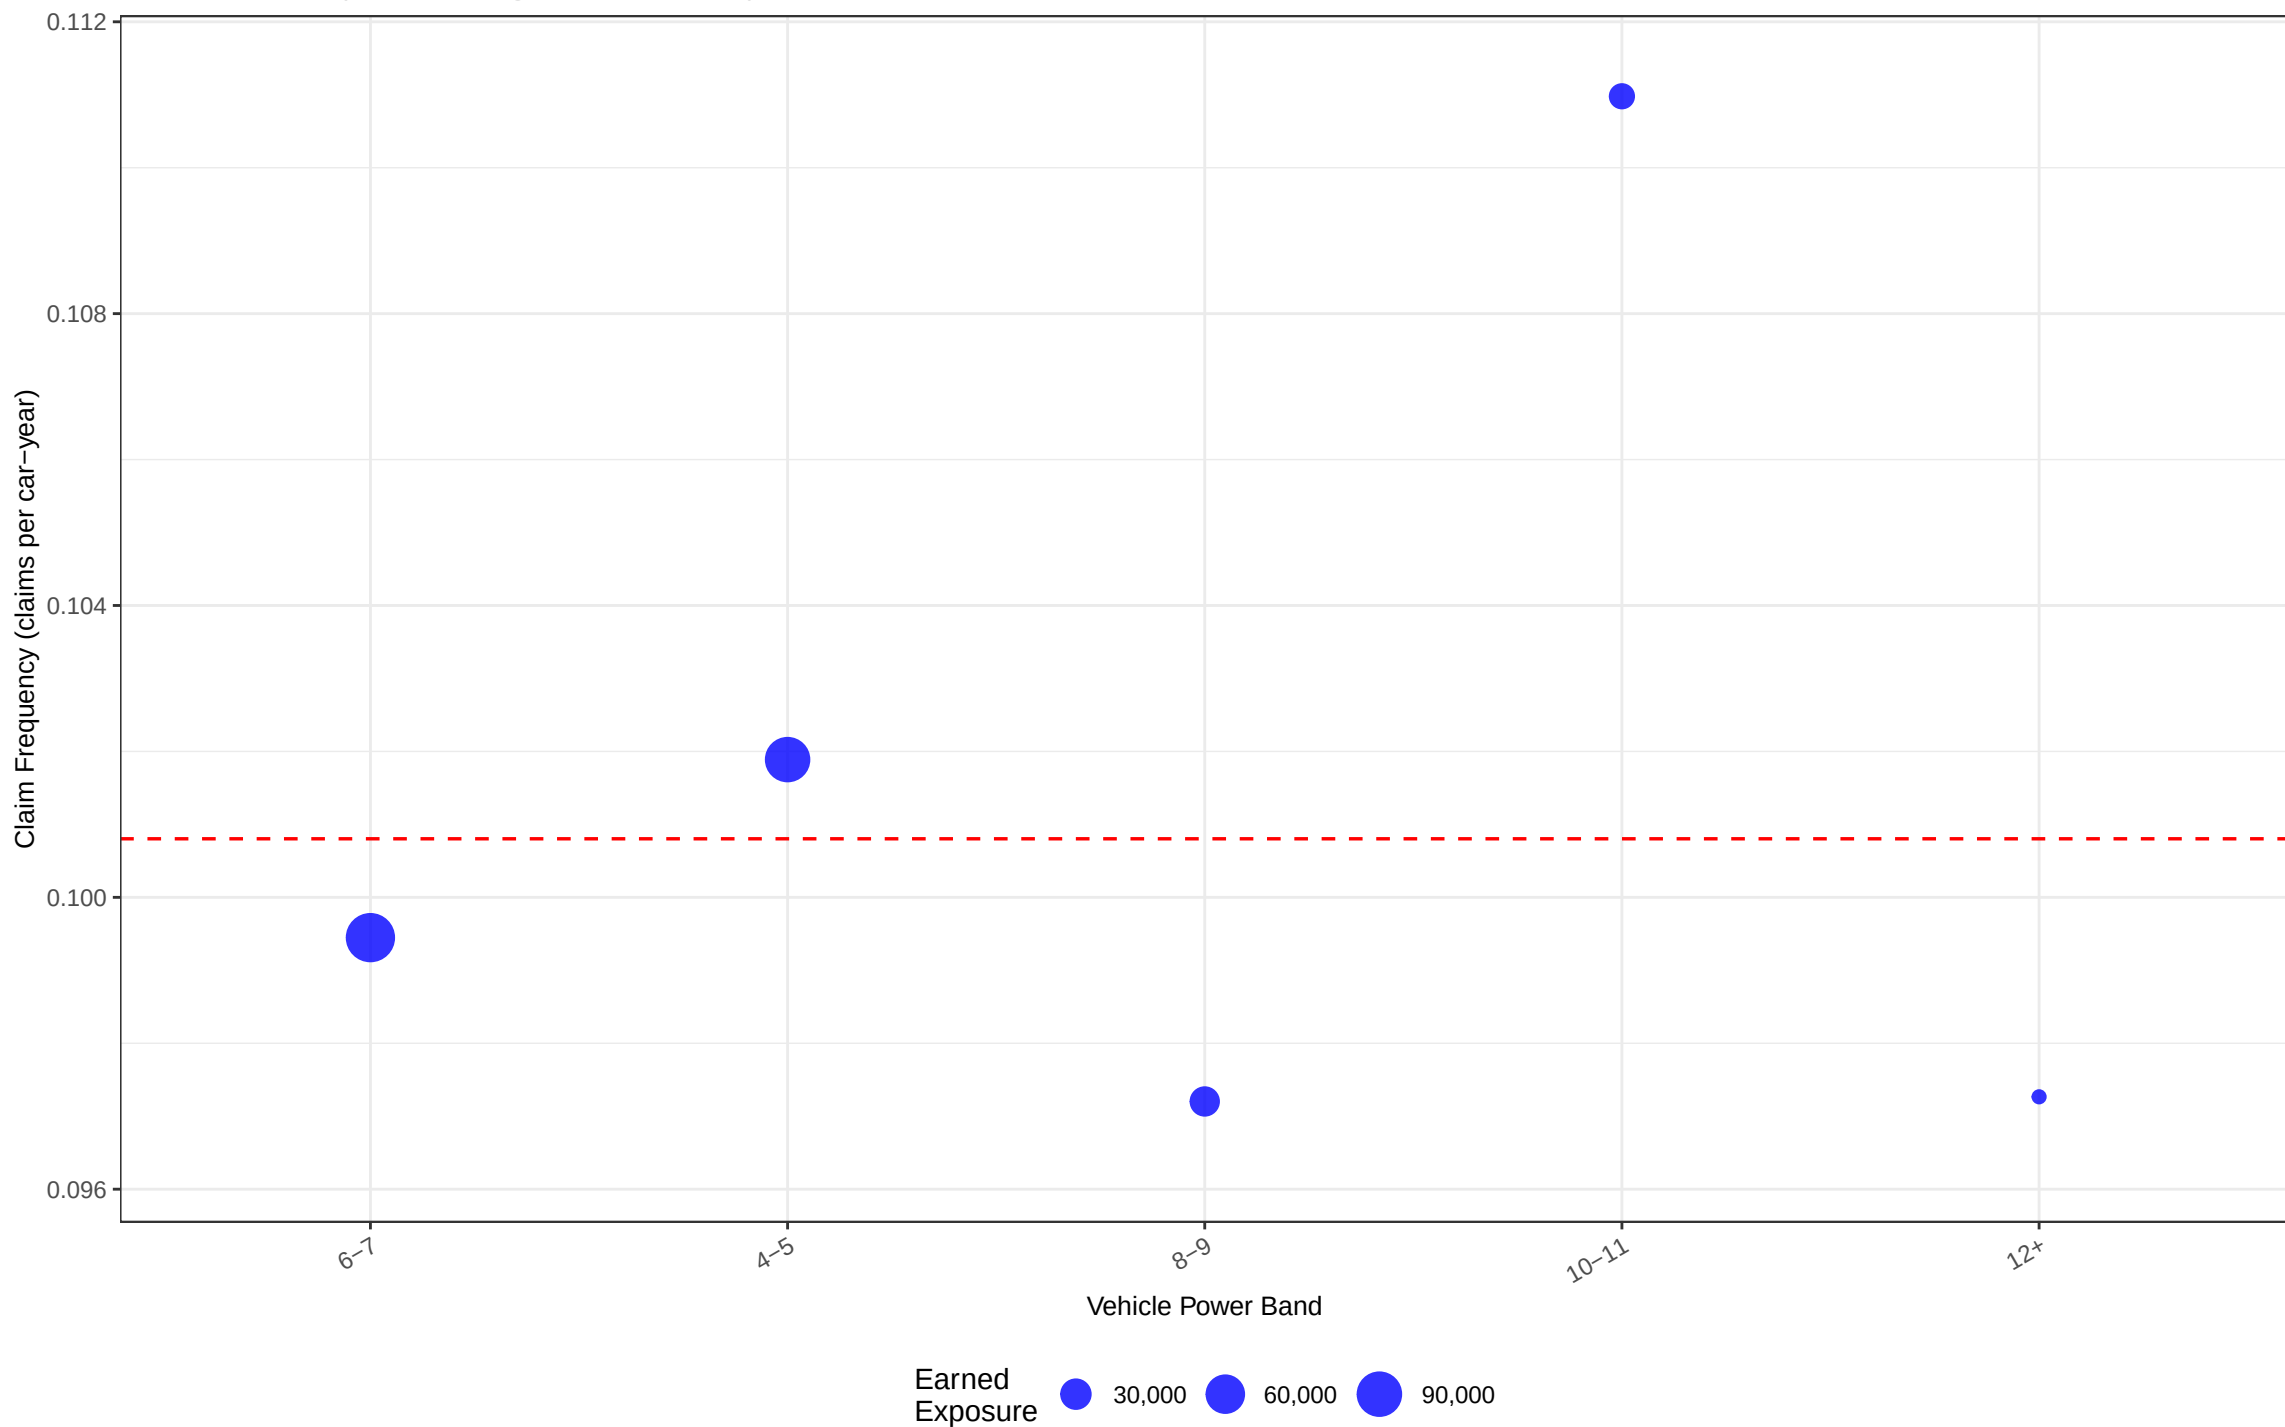

Observed Claim Frequency by Vehicle Age Band

Red dashed line = portfolio average; bubble size = exposure

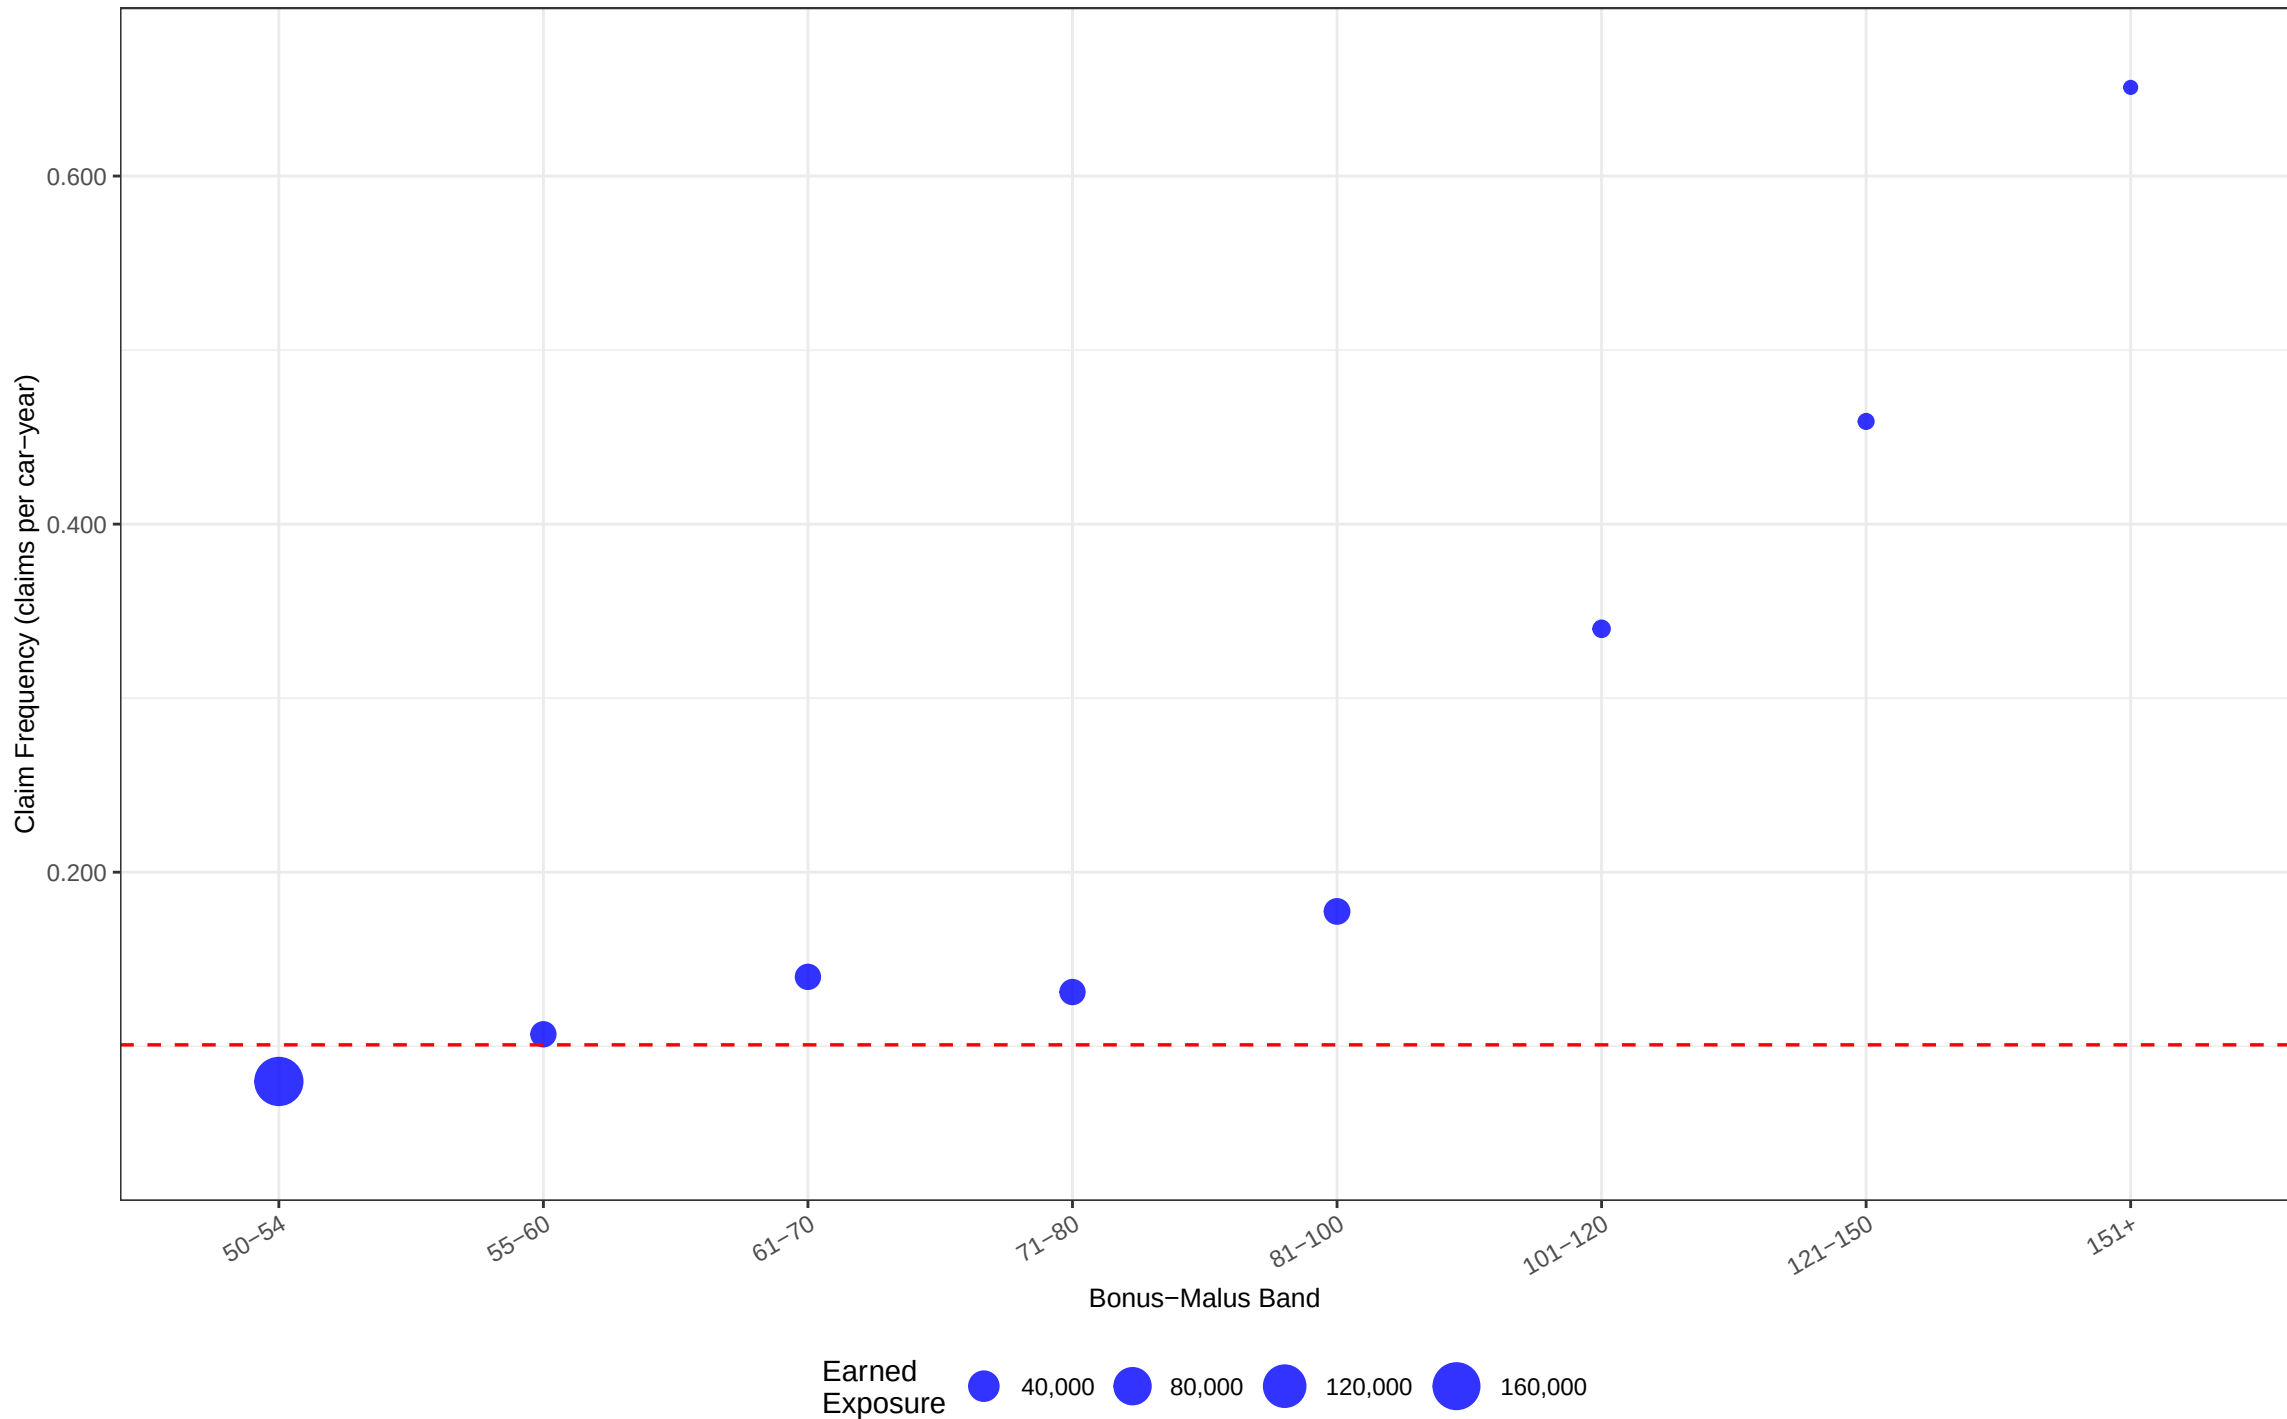

Observed Claim Frequency by Vehicle Power Band

Red dashed line = portfolio average; bubble size = exposure

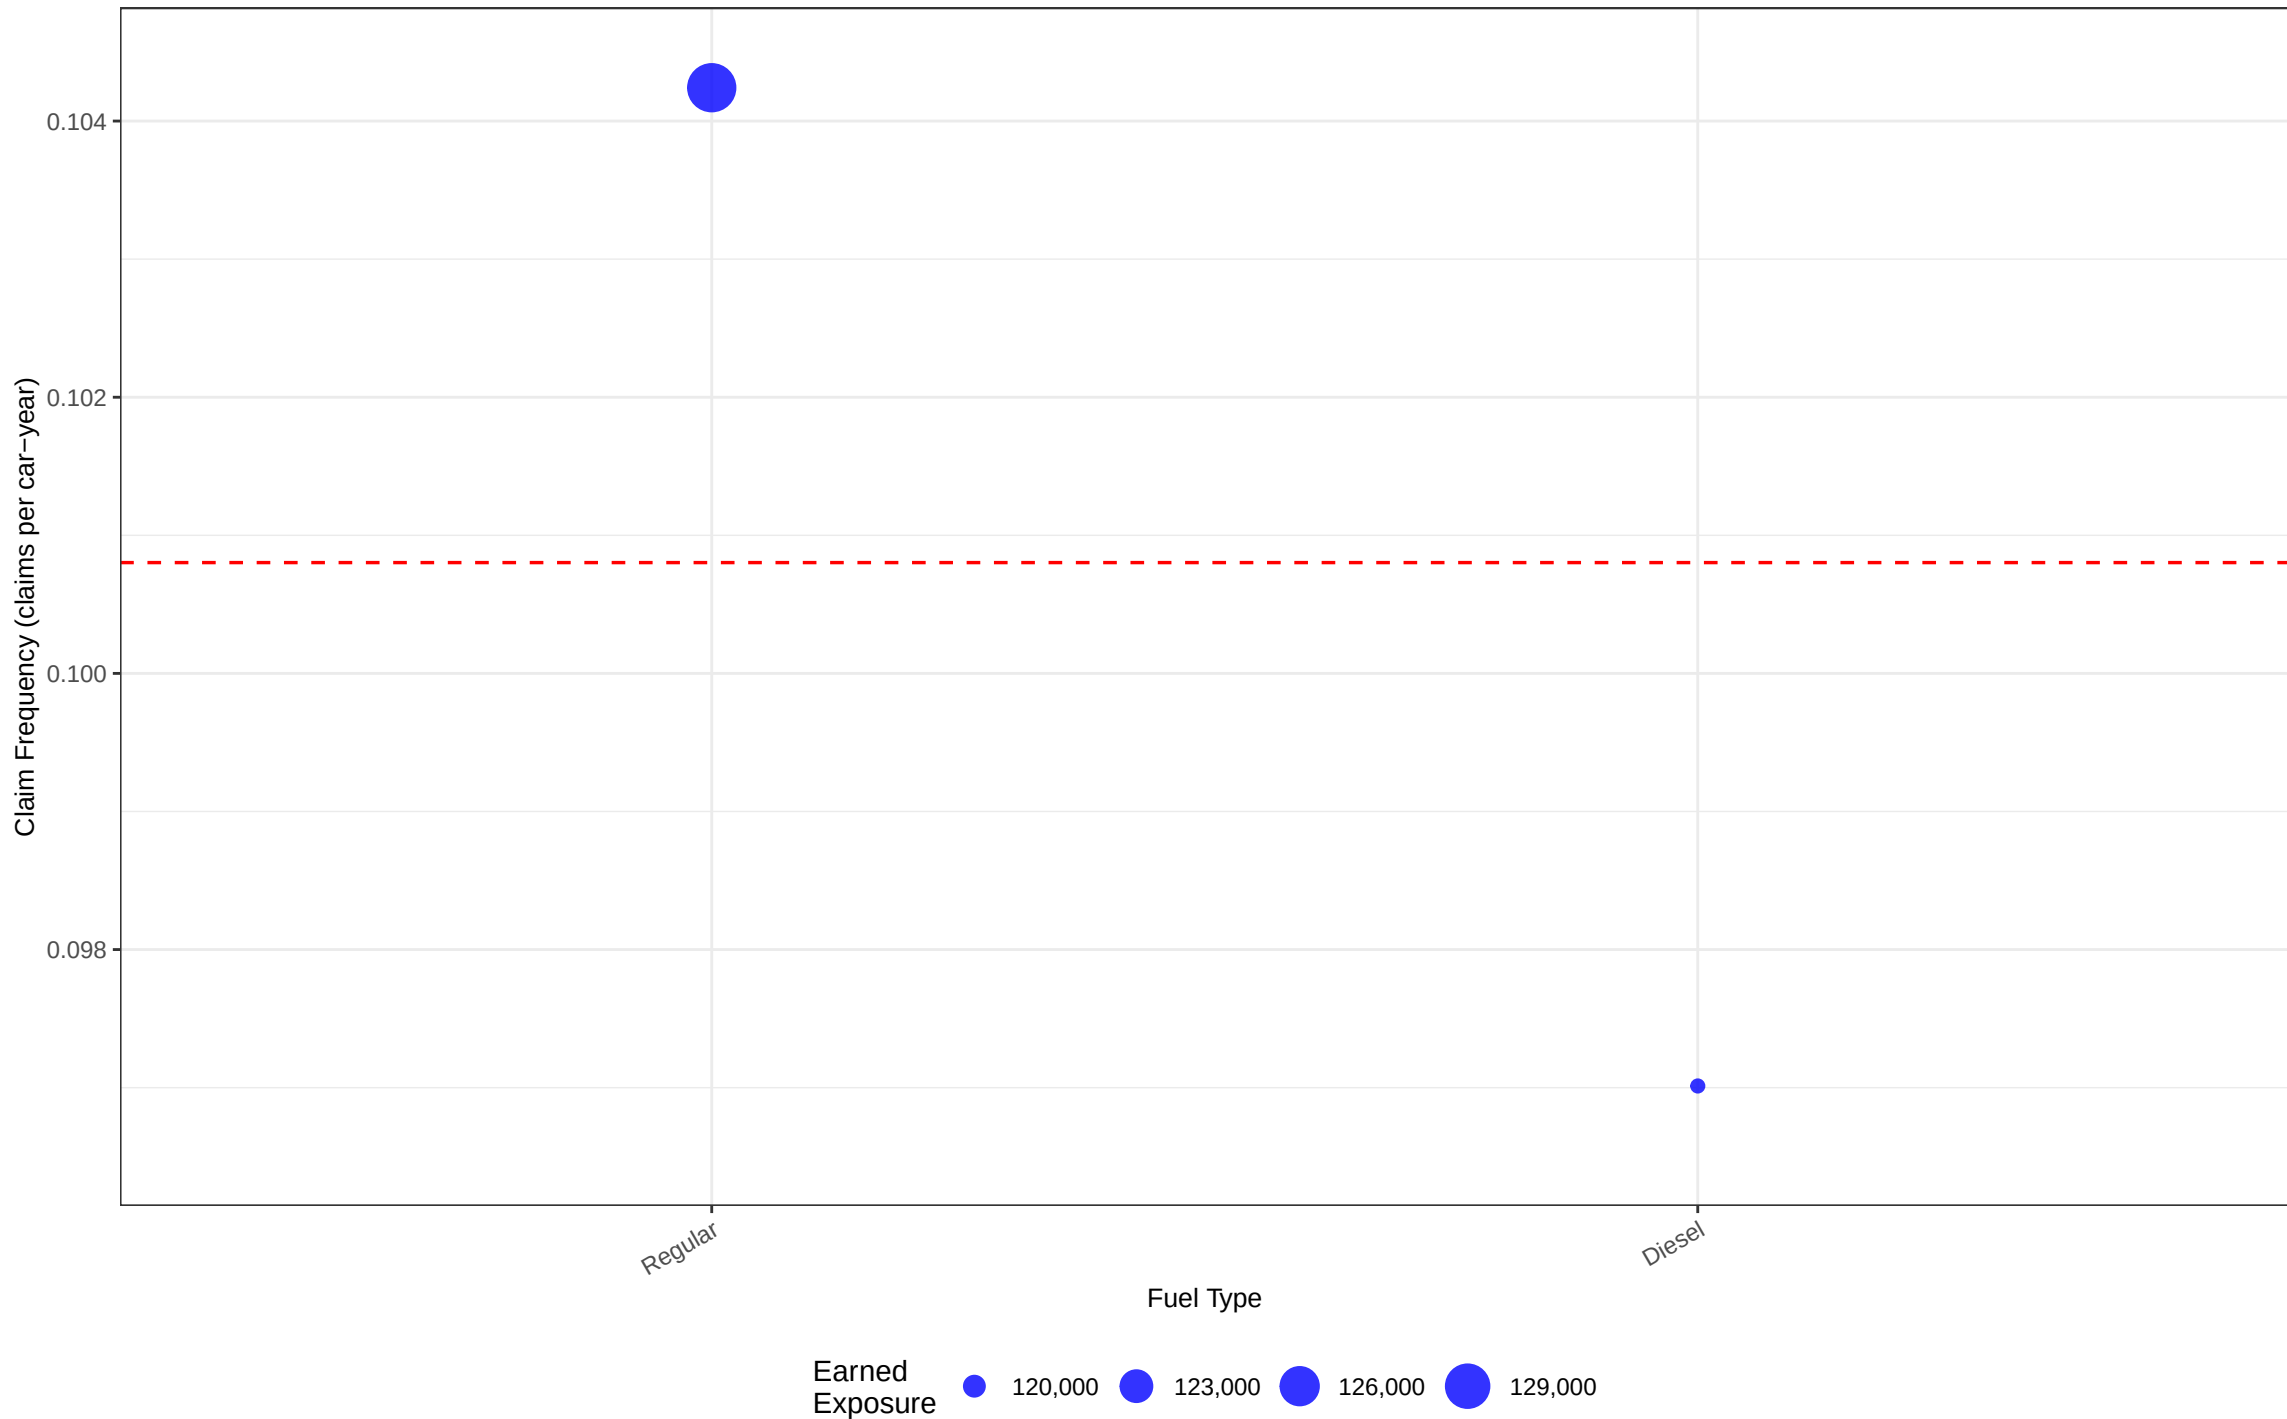

Observed Claim Frequency by Bonus-Malus Band

Red dashed line = portfolio average; bubble size = exposure

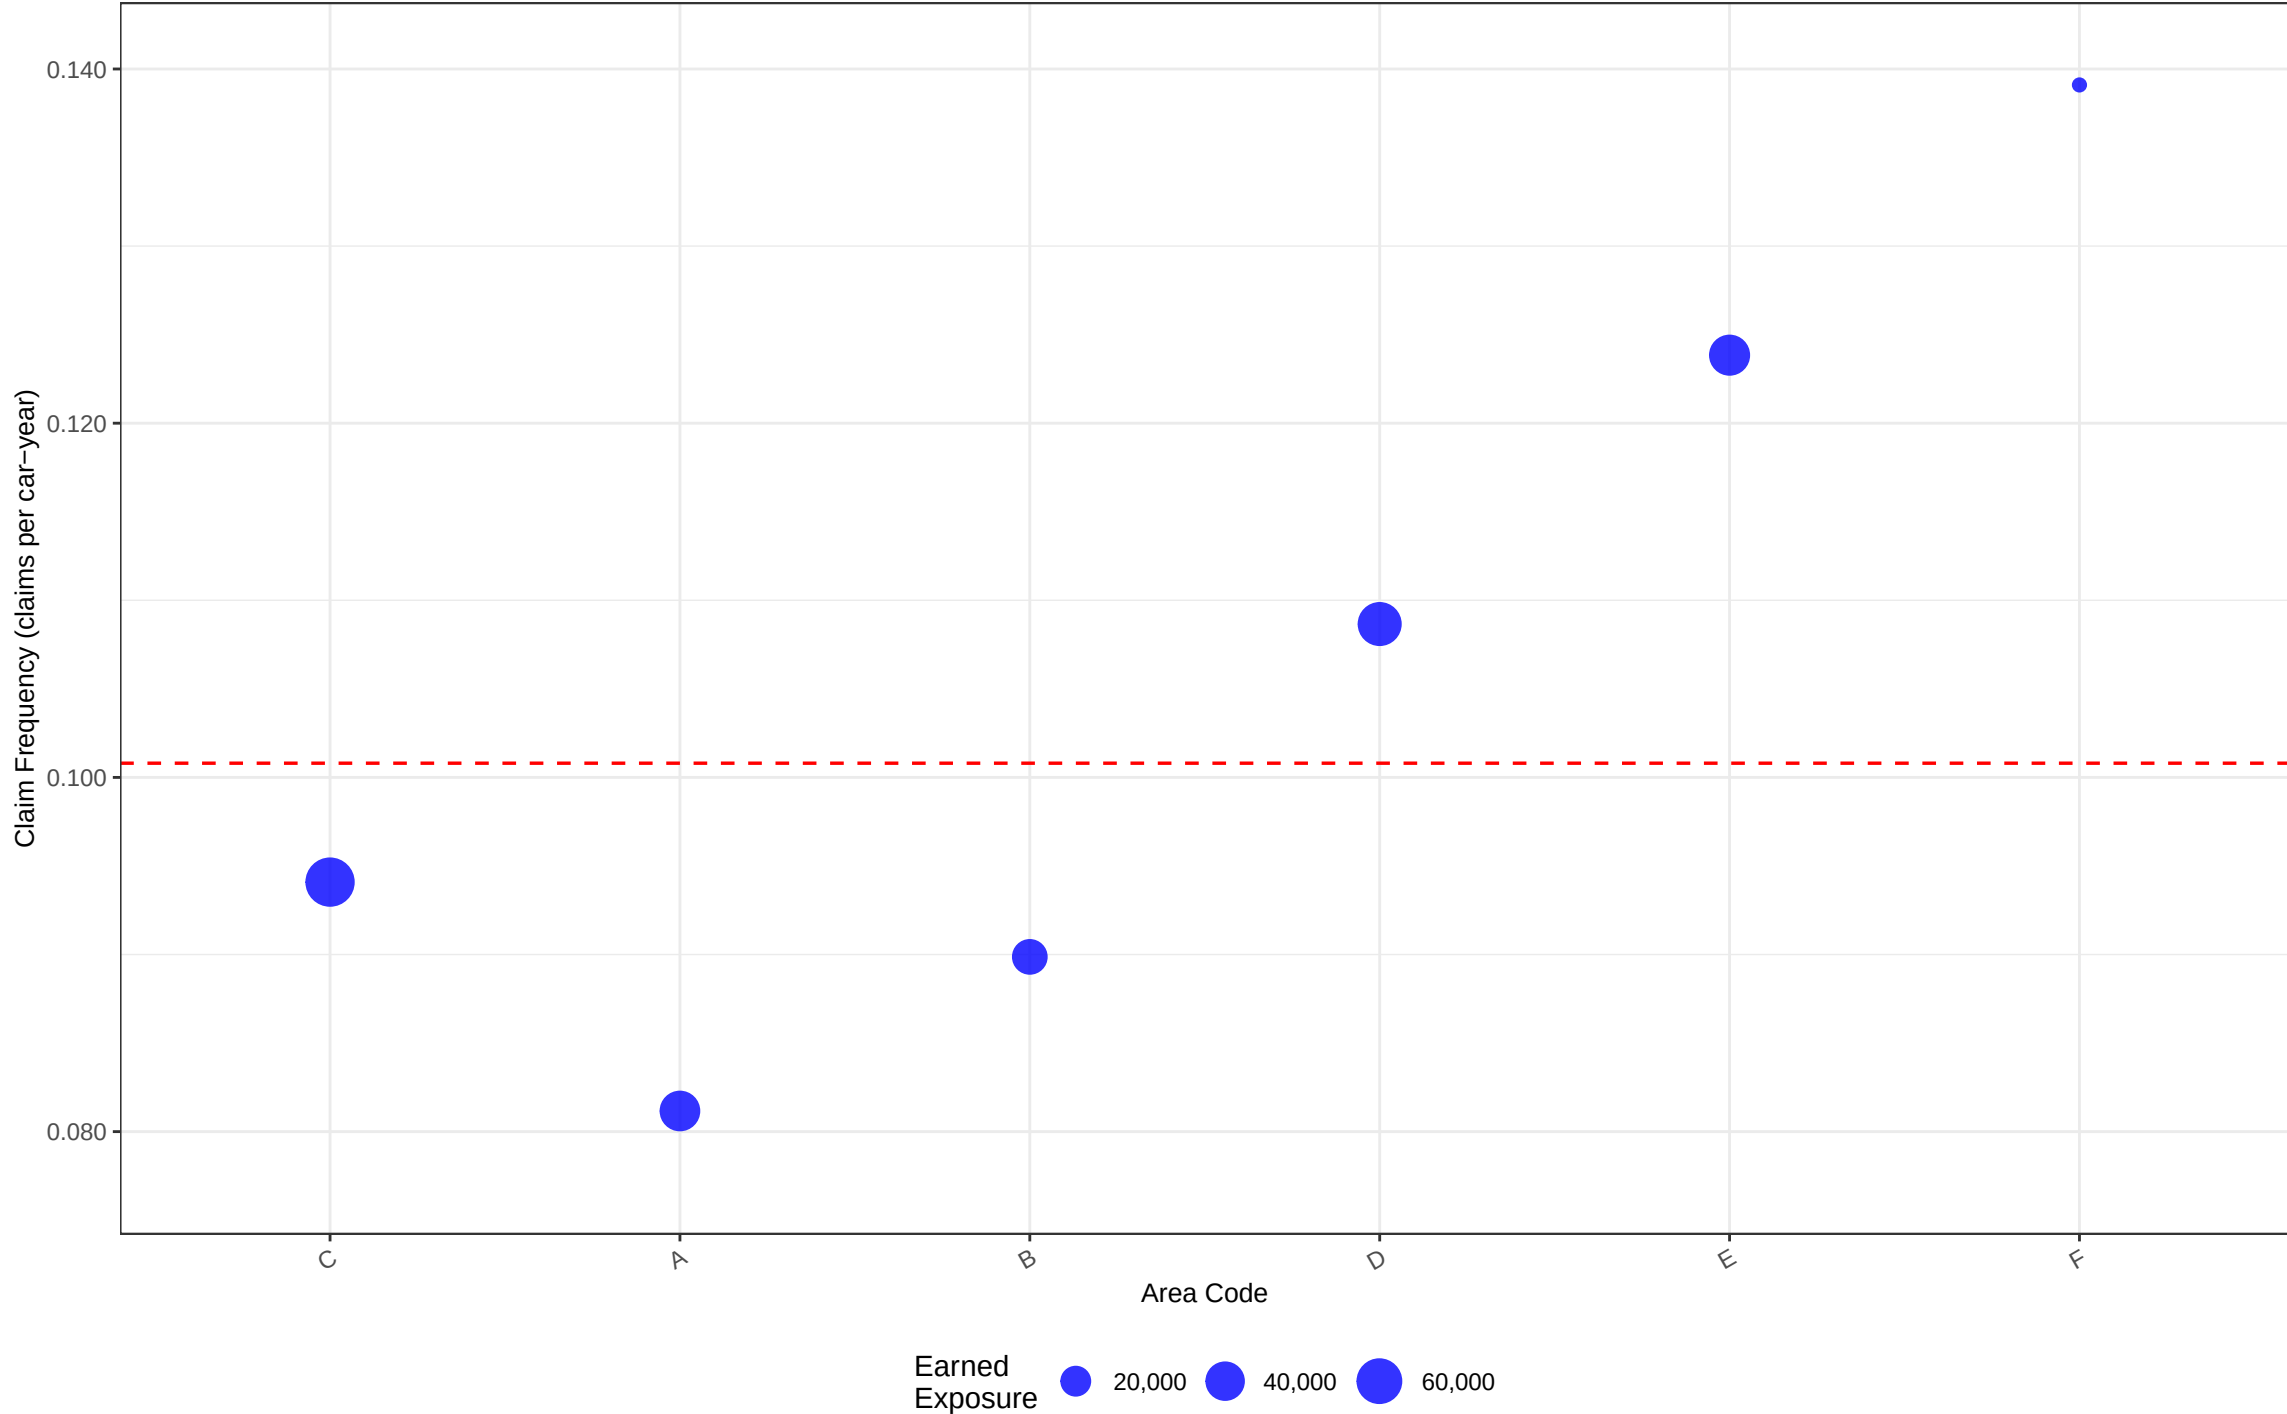

Observed Claim Frequency by Fuel Type

Red dashed line = portfolio average; bubble size = exposure

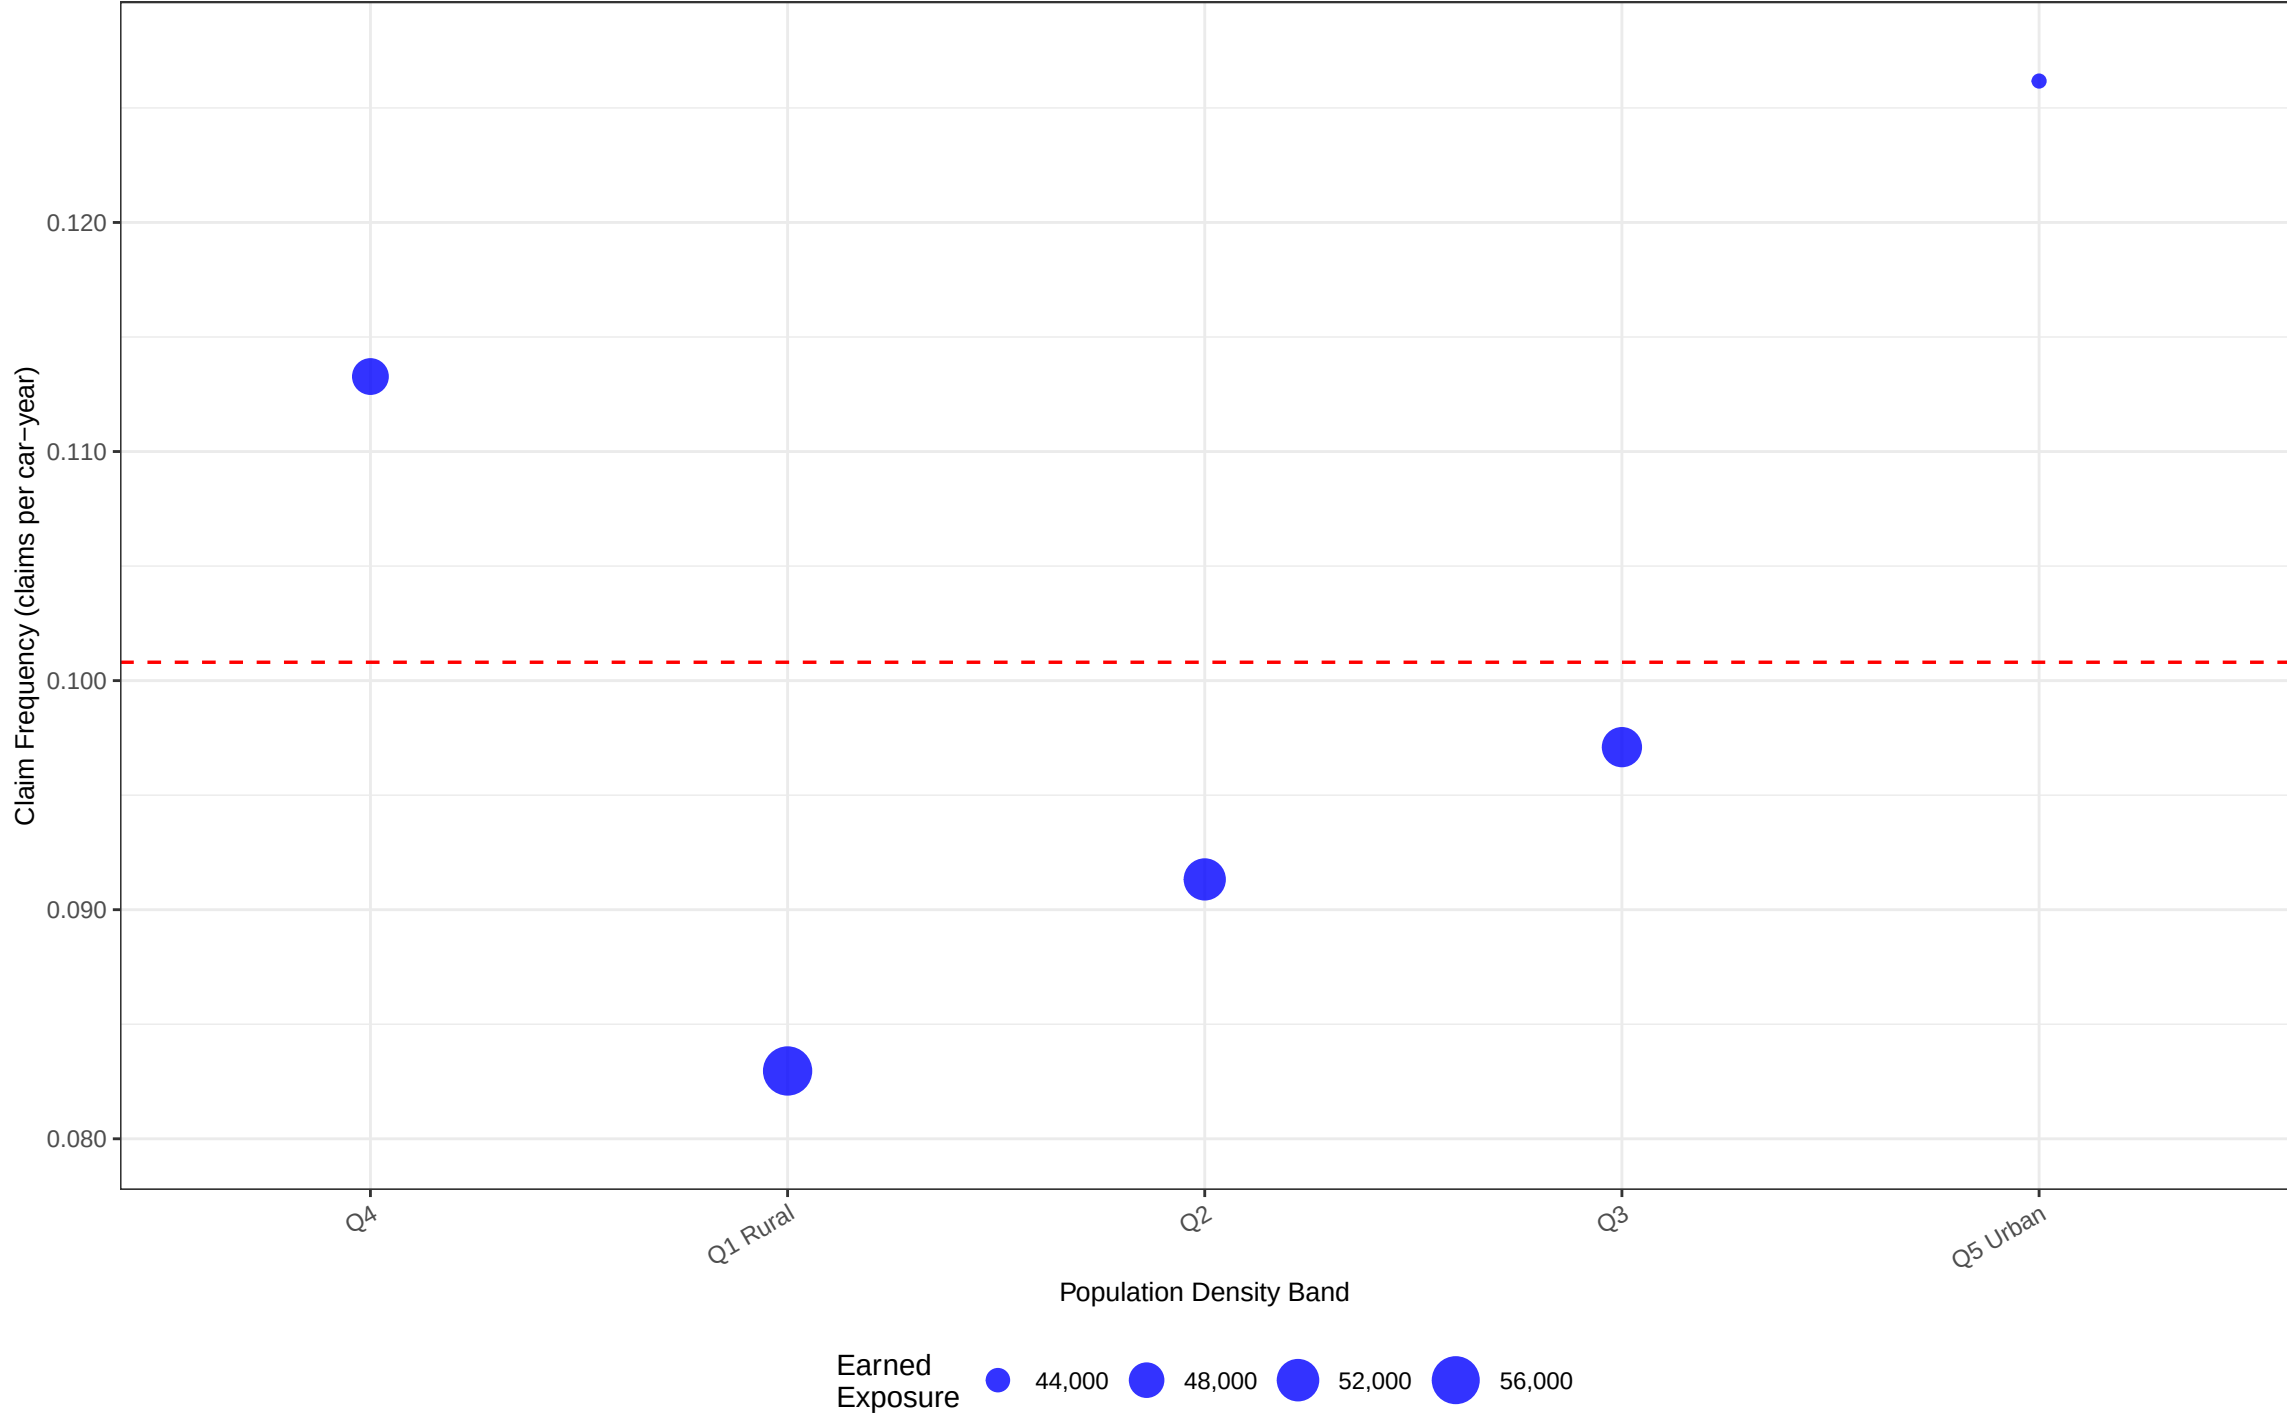

Observed Claim Frequency by Area Code

Red dashed line = portfolio average; bubble size = exposure

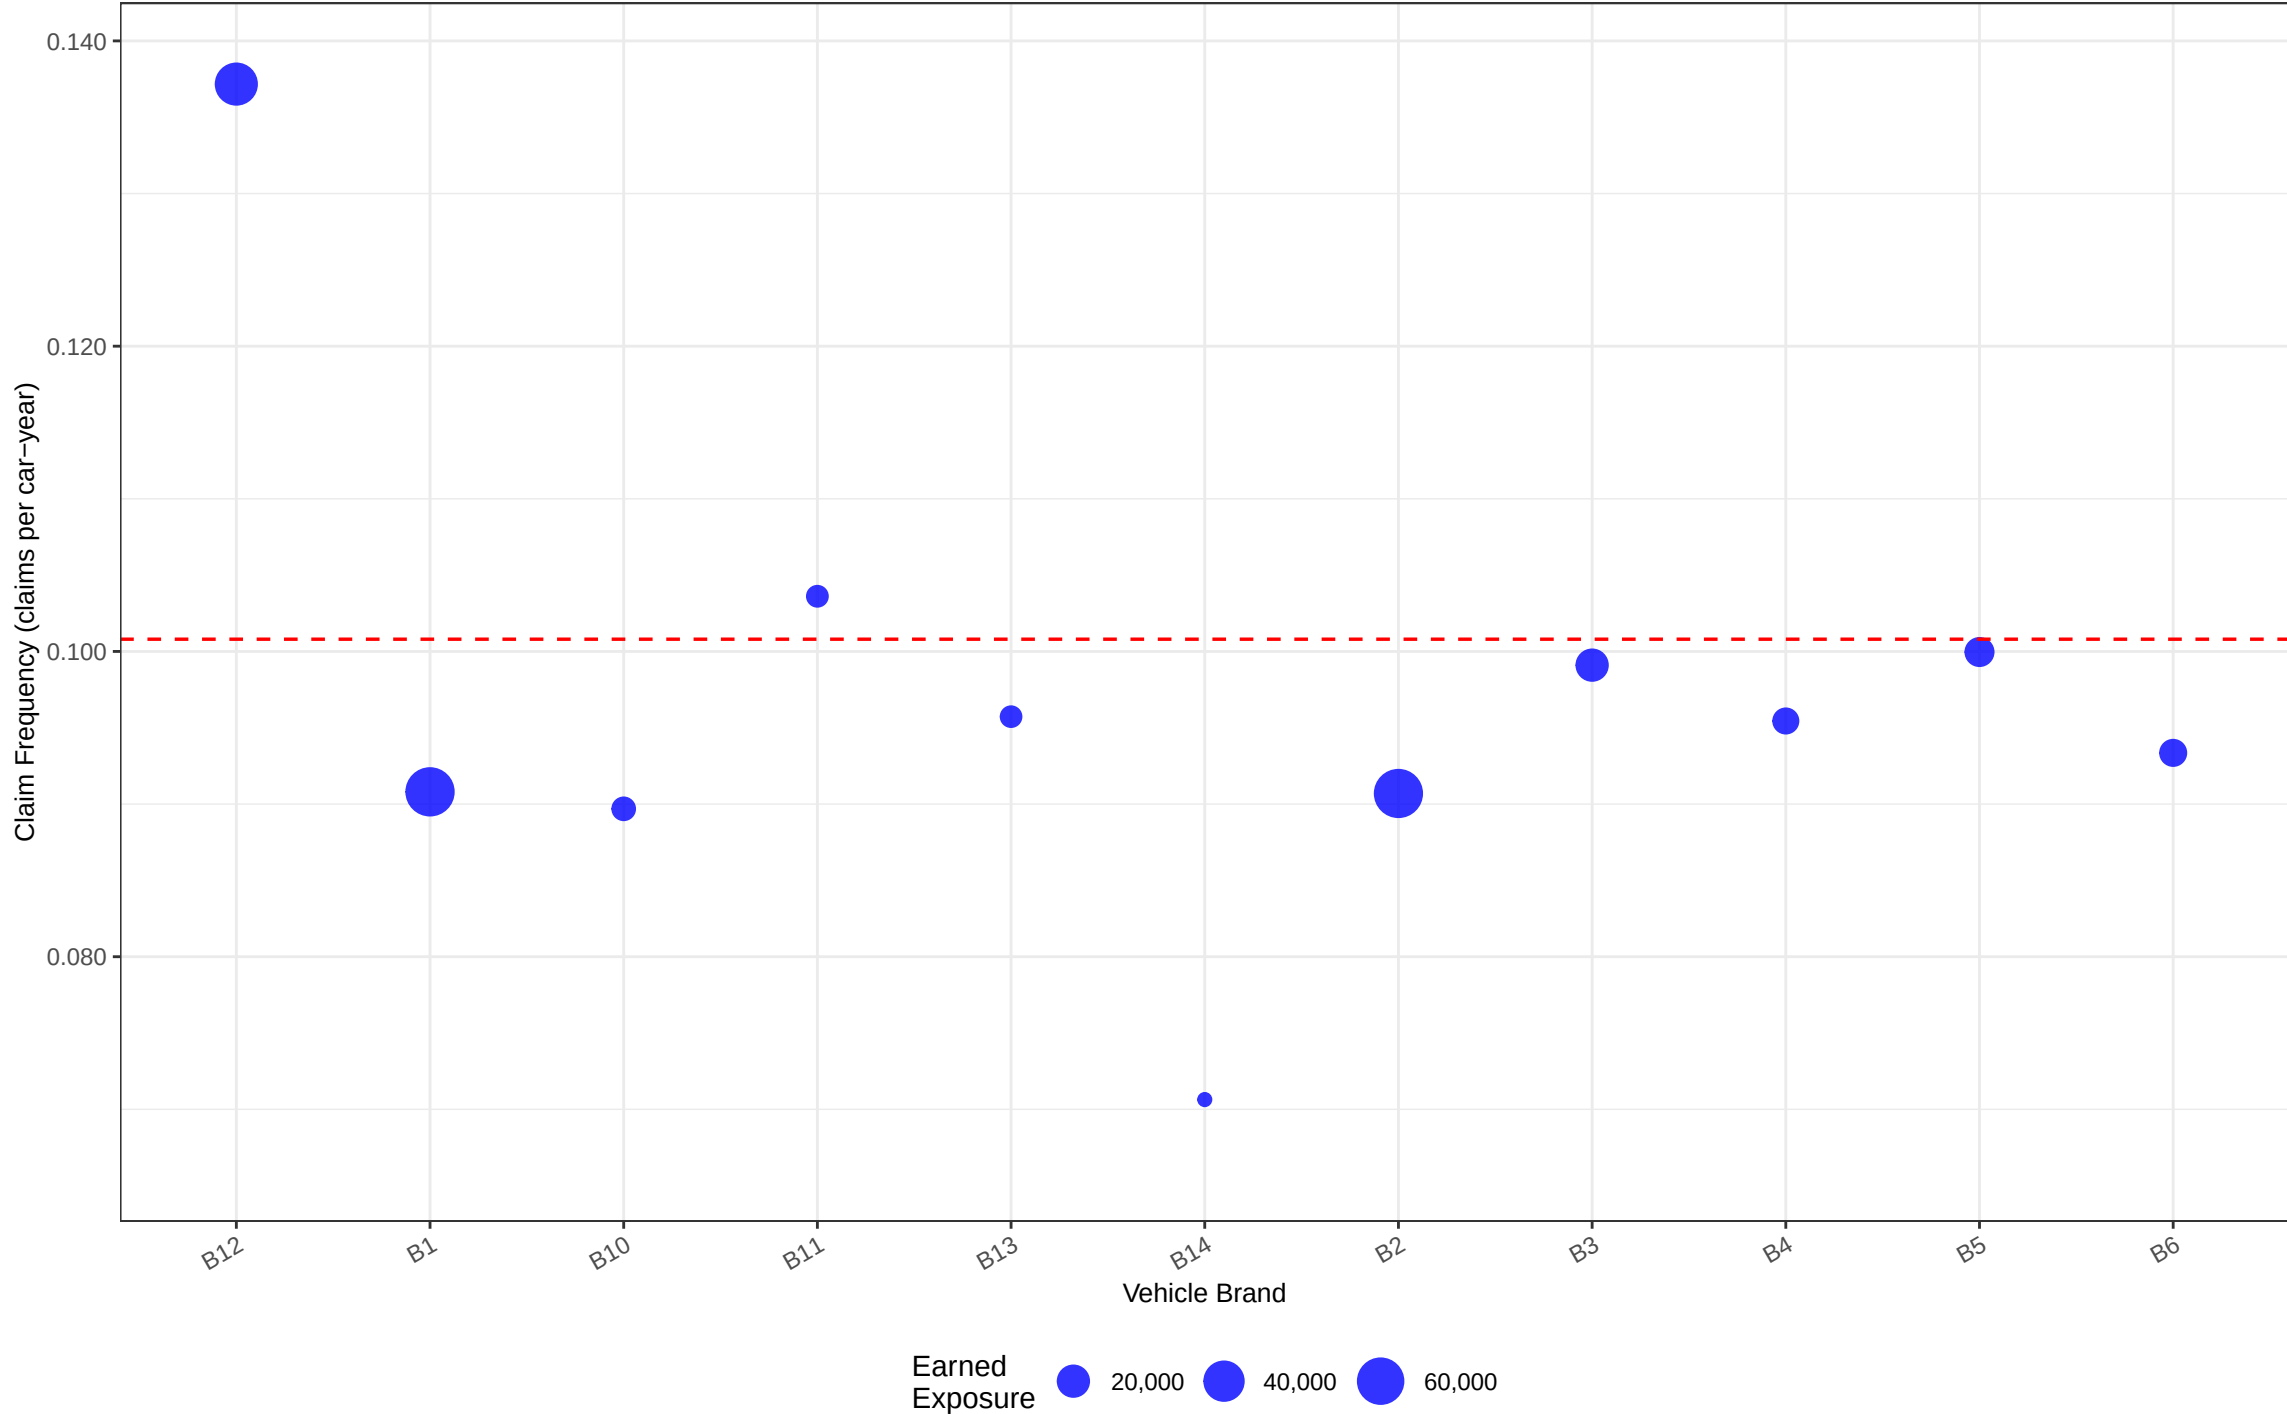

Observed Claim Frequency by Population Density Band

Red dashed line = portfolio average; bubble size = exposure

Observed Claim Frequency by Vehicle Brand

Red dashed line = portfolio average; bubble size = exposure

Observed Claim Frequency by Region

Red dashed line = portfolio average; bubble size = exposure
